

NIGHTOWL'S COAL PROJECT

How To Assemble Your Coal Collection

Note: For these items you need to download the originals and pull out the needed files as listed below!

Download and unpack any or all of these items.

We recommend to unpack them to a location **outside** your Plugins.

Look for our prepared dedicated folder 'Models'.

Copy the indicated 'Needed Original Files' into this folder.

Disregard any listed dependencies.

Store your unpacked downloads in a safe location.

Fire up your game.
